Re: Increase of stake in Avafood Shareholding Company

First we would like to thank for your support so far.

Today, Interfood Shareholding Company ("IFS") just received a copy of the 5th amending certificate of investment No. 472033000355 dated 10/12/2012 of the Management Board of Dong Nai Industrial Zones issued for Avafood Shareholding Company ("Ava") - a subsidiary of IFS - which confirmed IFS to increase its stake from 90% to 90.4% (equivalent to an increase from 72,900,000,000 VND to 73,224,000,000 VND) by acquiring all shares of two other individual founding shareholders in Ava

No significant change in Ava and IFS as a result of this transaction; existing structure of the Board and the Board of Directors in Ava unchanged.

Thanks and best regards!
